SKILFUL PHYSICIANS of Europe as well as those of our own country, have pronounce Epilepsy incurable. And it has been so considered by many, until this most important of all discoveries was made by Doctor S. Physicians of undoubted skill and experience, Ministers of various denominations, as well as hundreds of our eminent chizens, all unite in recommending the use of this truly v. luable medicine to their patients, charge, and friends, who are thus afflicted as the only ANOTHER REMARKABLE CURE PERFORMED

BY THE USE OF HART'S VEGETABLE EX TRACT. Dr. Hort: It is with no small degree of satisfaction that I am enabled to announce to you the complete restoration to health of my daughter, by the use of your Vegetable Extract. At the age of six years, (her age at present is sixteen.) she was first attacked with this dful malady called Epiteptic Fits. And until she commenced

taking the Extract, she suffered with attacks of fits almost incessantly, and so severely as to threaten to drive reason from its throne, and IDIOTIC.

Physicians pronounced her incurable, and could do nothing more for her. We had almost despaired of a cure, when hearing of the remarkable cures performed by the Vegetable Extract, we determined to give it a trial The result has exceeded our most sanguine expect ations, as by its use she is freed from a most dreadful malady, and re-

COUNTERFEITS Cure for Consumption. 7,000 CASES OF OBSTINATE PULMONARY COMPLAINTS CUBED IN ONE YEAR! WISTAR'S HALSAM OF WILD CHERRY, the great American Remedy for Lung complaints and all affections of the Respiratory WE do not wish to trifle with the lives or hea'th of the afflicted. and we sincerely piedge ourselves to make no assertions as to the virtue of this medicine and to hold out no hope to suffering humanity which facts will not warrant. We ask the attention of the candid to a few considerations. Nature in every part of her works,

Moss of iceland and the Pine and Wild Cherry are justly celebrated for the cure of all diseases of the Lungs and Liver, which are so fearfully prevalent in all northern latitudes. From a combination of Chemica Extracts procured from this 'Muss,' and these 'Trees,' Dr. Wistar's Balsam of Wild Cherry is chiefly formed. From the Harrison (Ind) Gazette, of Feb. 1, 1848. The incredulous are invited to read the following note from the Rev Mr. Coldren, whose character for truth and veracity stands above sus, picion, and have their doubts dispelled as to the superiority of Wis

has left indelible marks of adaptation and design. The constitution

of the animals and vegetables of the torrid is such that they could not

endure the cold of the trigid zone and vice verse. In regard to dis

It is no less a duty than a pleasure to me to state for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry, a great blessing to the human race. Having tried it in a case of severe at fection of the lungs, unhesitatingly recommend it to those similarly afflicted as the best remedy that I have ever tried, and one which cured me when the physicans said I must die, and when I thought myself that my time to depart was near at hand.

WILLIAM COLDRON. SPRINGFIELD, KY., May 14,1 845. Messrs. Sanford & Park: I take this opportunity of informing you of most remarkable cure performed upon me by the use of Dr Wistar's Balsam of Wild Cherry. In the year 1840, I was taken with an affammation of the howels, which I labored under for 6 weeks, when gradually recovered. In the fall of 1841, I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined to my bed. I tried all kinds of medicines. and every variety of medical aid, without benefit; and thus I weared glong until the winter of 1844, when I heard of Wistar's Balsam of Wild Cherry. My friends persunded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitation, I was induced to make use of the Genuine Wistar's Balsam of Wild Cherry The effect was truly astonishing. After five years of affliction, pain, and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most re-pectable physicians had proved unavailing, i was soon restored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry. I am now mjoying good health, and such is my altered appearance, that I am no longer known when I meet my former acquaintances. I have gained rapidly in weight, and my flesh is firm and solid. I can now eat is much as any person, and my food seems to agree with me. I have eaten more during the last six months than I had eaten in five years before. Considering my case almost a miracle I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow men, (who should know where relief may be had,) to make this statement public. May the blessings of God rest upon the emprietors of so valuable a medicine as Wistar's Balsam of Wild

WM. H. BAKER BEWARE OF COUNTERFEITS.-Those who counterfeit a good meditine for the purpose of adding a few dollars to their pockets are far worse than the manufacturers of spurious coin. For while the latter only rob us of our property, the former take property and health and life away. Dr. Wistar's Balsam of Wild Cherry is admitted by thousands of disinterested witnesses to have effected the most extraordinary cures in cases of pulmonary and asthmatic character, ever before recorded in the history of medicine. The young, the beautiful, the good all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country. Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get Wistar's Balsam of Wild Cherry, and refuse with scorn counterfests, and every other article proflered to them as a substitute, so long will cures, positive cures, cheer the fire sdie of many a despairing family.
